Date: _____

Date: _____

Objectives:

1. To attract qualified students to North Shore Community College and Bridgewater State University.
2. To promote and facilitate an efficient transition of transfer students between institutions.
3. To provide specific information and guidelines for transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for students attending North Shore Community College.

Stipulations:

1. Bridgewater State University guarantees acceptance of North Shore Community College students who complete the Associate's Degree program in Aviation Science Professional Pilot (AVD) degree program with an overall GPA of 2.5 as outlined in this document.
2. Note: Transfer students must complete the same major and program requirements as do native students, i.e. core and residency requirements. Depending on the courses completed as part of the associate's degree, degree completion may take longer than two years or 68 credits.

Mutual Responsibilities:

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. North Shore Community College and Bridgewater State University will incorporate a summary of this agreement into official publications and web sites.
3. North Shore Community College and Bridgewater State University agree to encourage qualified students to participate in this program by providing information, advising, and other assistance required to foster a seamless transition from the two-year institution to the four-year institution.

Review/Revision:

1. Both institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this articulation agreement. Revisions will be implemented with one-year notice prior to termination of the agreement.
