- Submit your intent to graduate form at: www.northshore.edu/register

Advising Notes

- This degree is designed to prepare students to be eligible to enter the licensure process, which includes successful completion national licensing exam administered by the Federation of State Boards of Physical Therapy. Upon successful completion of the national exam, students are prepared for entry level employment as a Physical Therapist Assistant.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- If you intend to graduate with an associate degree in two years, you should enroll in at least 15 credits if taking only fall/spring courses.
- Completing at least 30 credits each year helps students stay on track to timely graduation.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.

Ⓡ Required course for degree

X Center for Alternative Studies & Educational Testing (CAS) – Course competencies and prerequisites may be fulfilled through Credit for Prior Learning (CPL). Visit www.northshore.edu/cas for more information.

Congratulations NSCC Graduate!
