Admission to this program is highly competitive and has a selective admission process. It is **your responsibility** to ensure that you accurately understand the information and follow accordingly.

### **STEP 2: COMPLETE ALL ADMISSION CHECKLIST REQUIREMENTS (page 2)**

The Admission Requirements Checklist details admission requirements and other important information. You must complete all checklist items for your application to be considered complete and ready for review. Please note that it is the applicant's responsibility for ensuring that the application is complete and received. **If any required items are incomplete/missing when you submit your application, your application will not be processed (i.e. reviewed).**

### **STEP 3: SUBMIT YOUR APPLICATION AND SUBMIT ALL REQUIRED MATERIALS**

**All completed applications received by priority deadline will be reviewed for potential acceptance to the program.** Completed applications may be considered under the same procedure after this date if space remains available in the program or waitlist, but there is no guarantee of such consideration. Admission to this program may close at any time after the priority deadline without notice. Thus, the only guarantee of consideration is to have the completed application submitted within the dates listed below.

### **Information**

- No application fee is required. NSCC has an open admissions policy.
- Students interested in participating in an academic program that involves working with children, the disabled, or the elderly, or includes a clinical affiliation, internship, or field placement with a private or public health care provider, may be required to undergo a Criminal Offender Record Information (CORI) check and/or SORI (Sex Offender Registry Information) check prior to participation.
- CORI and SORI checks are not used in any way as admission criteria. Depending on the contents of a student's CORI and/or SORI, participation in a clinical affiliation, internship, or field placement may be denied.
